

Orange County Tobacco Education Coalition (OCTEC) Smoke-Free Superstars Recognition Program

We recognize the following plaza owners for establishing a policy that prohibits smoking within 20 feet of the main entrance, main exit or operable windows of plaza stores. This smoke-free zone creates a safer, healthier workplace.

We commend your efforts to protect employees and customers from exposure to secondhand smoke, as well as provide cessation support for people who want to quit smoking. ~ August 2016
